

Manual Section 1	Issue Date 07/15/04	Revision Date 01/15/26	Policy Number LLCP-002
	Vision / Mission / Values		

MISSION

Providing a safe, sustainable future for our people while delivering quality products and innovative solutions to our business partners.

VISION

To be a world class solutions provider in the Energy, Infrastructure, Industrial, and Power Sectors that always values People over Profits.

VALUES

VALUES

INNOVATION

Put new ideas into practice and create breakthrough solutions that increase value, reduce waste, and drive growth for our people and business partners alike

SAFETY

Strive everyday to achieve goal zero – zero harm to our people and our property while remaining a good steward to the environment

PEOPLE

Our company is nothing without our people. People are our most valuable asset, and we will Put People First before all else by committing to their well being, growth, and development

INTEGRITY

Be consistent in visually displaying honesty, trust, fairness, respect, and courage even when no one is watching

PERFORMANCE

Deliver reliable, consistent, efficient, and repeatable results
